

YOUR OFFICIAL
KITCHEN DESIGN
CHECKLIST

DESIGNER'S TIP

Planning your kitchen redesign in phases can help keep you organized with an established timeline. Our checklist is an excellent example of what you can expect. When you choose Kitchens by Oaks, we help coordinate everything. We have you covered – from acquiring permits to expert contractors handling the installation.

1. PREPARATION

- Measure the space
- Meet with your kitchen designer & approve design renderings
- Source materials & furnishings
- Anticipate & plan for obstacles
- Review & update your budget

2. PLACING YOUR ORDER

- Select & order appliances
- Select & order cabinets, flooring, countertops
- Establish a temporary kitchen
- Order accent decor

3. PROJECT BEGINS

- Make structural changes
- Rework plumbing & electrical
- Lay flooring
- Hang drywall
- Paint

4. INSTALLATION

- Install cabinets
- Install countertops
- Install backsplash

5. FINAL TOUCHES + FINISHES

- Add decorative hardware & lighting
- Install appliances & fixtures
- Clean up and enjoy!
